閱讀題型與作答範例

Beethoven's 10th symphony. The AI learned the patterns and style of Beethoven's earlier symphonies. It wrote the music in a way that is similar to how Beethoven might have written it himself. By studying the structure of his music, it was able to finish the 10th symphony. The result was a 40-minute symphony worthy of a master composer. 【明道】

Beethoven's 10th symphony concert - composed by AI-

Novello Theater	7:00 p.m. Sunday, Aug. 6, 2023
